It shall be our purpose to further the exchange of information and cooperation between members, to promote and encourage technical advancement, excellence, and experimentation by its members, to assist members and prospective amateurs in achieving fraternalism and high standards of conduct, to plan club programs and activities in such a manner as to advance the general interest and welfare of amateur radio in the community and support the public safety when called upon to do so.

## ARTICLE III - Fiscal Year

The Fiscal Year shall be from January 1 through December 31. The Board of Directors shall be allowed to amend the beginning of the Fiscal year from time to time as seen fit.

## ARTICLE IV - Members

Members of the Club are expected to be of good moral character and to conduct themselves following all Federal Communications Commission regulations as stated in PART 97 and in a manner that will bring honor and respect to the "Amateur Radio Community." It is strongly recommended, but not explicitly required, that all members of the Club maintain membership in the ARRL (American Amateur Radio Relay League).

Section 4.2 Lifetime Membership - Lifetime membership shall be awarded after 25 consecutive years of membership. Alternatively, after at least one year of membership, a member may apply for lifetime membership by payment of dues in the amount of current dues times the difference between 25 and the number of years of consecutive membership already achieved.

The Board of Directors may grant Lifetime membership to any member for outstanding services to the Club.

Section 4.3 Eligibility - Eligible persons, as defined in Article IV Section 4.1 of these Bylaws, shall become members upon applying to the President or their designee and the payment of the annual dues as specified in Article IV Section 4.4. The calendar month in which a member's dues are due shall be the month they are paid if rendered on or before the regular meeting day. If no meeting is held in that calendar month, the day that the regular meeting would typically be held will serve as the last day to pay dues for the calendar month. Dues paid after the typical meeting day shall be considered to be rendered on the first day of the following calendar month.

Dues will be due each year by the first of the calendar month they were initially rendered. A grace period of 2 calendar months shall be granted such that dues paid within the grace period will be considered paid on time. Dues paid within the grace period will not affect the month the member's dues are due, and membership will be regarded as continuous. If dues are not rendered by the end of the grace period, the member will be listed as inactive, and all their club benefits will be suspended.

Membership may be paid in advance in on-year installments at the member's discretion. Members who pay sufficient advance dues to qualify for life membership may be considered for life membership.
